Subject : TODO Certified Service Centre Approval

Dear Mr. Burton,

TODO is pleased to officially appoint:

Atlantic Hose & Fittings as an official TODO Certified Service Centre; subject to the Emco Wheaton Terms and Conditions.

The following TODO products are approved to be serviced:

- TODO MATIC Couplers / Adapters
- TODO GAS Couplers / Adapters
- TODO Aviation Couplers / Adapters
- TODO Breakaway couplers
- TODO Swivels

Atlantic Hose & Fittings are certified to perform all levels of servicing. Changing of PED parts is only authorized with written consent from TODO, or proven completion of the TODO service log document, recording the batch numbers of both the old and new parts against the serial number of each concerned unit.

Servicing must only be carried out by using official TODO parts, purchased from TODO, UK. Any evidence of use of unofficial TODO parts may result in approved status being revoked.

TODO is pleased to be working alongside Atlantic Hose & Fittings to provide local servicing.

With kind regards,

Sam Blackmore

Global Product Manager - TODO
